

# Social Media and the Modern Workplace: How Online Speech Has Transformed the Legal Landscape

Webinar (EDT)

March 23, 2020 | Events

**Shawndra Jones**, Senior Counsel, and **Corben Green**, Associate, will co-present "Social Media and the Modern Workplace: How Online Speech Has Transformed the Legal Landscape," a webcast hosted by Lawline.

## Learning objectives:

1. Identify potential issues concerning employers' and employees' use of social media
2. Outline the legislation and case law that are applicable to social media usage in the employment context
3. Discuss methods to mitigate risk when engaging in social media activity or researching this activity
